Sir,

Sub:- The Kamalapuram Cooperative Credit society - Bellary district - Construction of godown-cum-reading room additional free grant - sanction - requested.

Ref:- G.O.No.Misc.1885, Development, dated 6-4-49.

Pp35-36cf R

In the G.O. cited, Government were pleased to sanction a free grant of Rs.1,500/- to the Kamalapuram Cooperative Credit Society in the Bellary district to enable ~~fxxx~~ it to meet 25% of the cost of construction of the godown portion of a godown-cum-reading room. The ~~o~~stimated cost of the godown portion is Rs.6,000/- and that of the reading room is Rs.3,000/- In G.O.No.1807, Development 2--4--49, Government agreed to sanction free grants upto 50% of the cost of construction of the godowns in each case. After issue of this G.O., the Society revised its original proposal and requested me to obtain sanction for an additional free grant of Rs.3,000/- on the assumption that Government would agree to sanction a free grant of 50% of the estimated cost of Rs.9,000/- required for constructing a godown-cum-Reading Room. But, as the question of applying 50% free grants to the proposals of this kind was then under the consideration of Government, the revised proposal of the Kamalapuram Credit society could not be submitted earlier.

P.T.O.

earlier. The revised proposal of the Society is to meet the cost of construction as follows:-

| | |
|---|---|
| a) Free grant Rs. 4,500 (1,500 already sanctioned) | |
| b) State loan | 4,500 |
| Total | 9,000 |

H.21-22cF(B) In G.C. 807, Development, dated 1--3--50, Government have ordered that free grants upto 50% of the cost of construction ~~of construction~~ shall be given to societies for construction of godown-cum-village hall also. The society has secured a site by alienation, and would commence construction if the additional free grant applied for is sanctioned by Government. The society has not sufficient funds of its own for being utilised in the construction of the godown. I consider that the request of the society is reasonable and recommend that the Government may be pleased to sanction an additional free grant of Rs.3,000/- to enable the Kamalapuram Credit society to meet 50% of the cost of construction of the Godown-cum- Reading Room.

The Society was in the first instance prepared
to contribute a godown with a grant

A.S.'s orders on p 3 above

Before the issue of orders in G.O.Ms.1807 Dev. dated 2-4-49, the Government sanctioned subsidies to co-operative Marketing Societies and Rural Credit Societies for the construction of godowns upto 25% and in deserving cases upto 50% of the cost of construction the remaining expenditure being met either from State loans bearing interest or from the societies' own sources. Early in ~~1xiy~~ 1949, the Kamalapuram Co-operative Credit Society proposed to construct a godown-cum-reading room at an estimated cost of Rs.9,000/-.
